PARDON?

ARE YOU ASKING US WHETHER IT IS POSSIBLE TO MAKE AN OBJECT...

BE POSSESSED BY A SPIRIT?

YES, I AM!

UM...

WELL...

SEONBAE...

THIS IS A MANGHWA CLUB...

WELL,

THE ONLY ONES WHO ACTUALLY KNOW ARE YOU AND BORA OVER THERE

H.HEPH...

YOU DON'T NEED TO HIDE NOW!

I'VE HEARD PLENTY OF THINGS ABOUT THIS CLUB!

OH GE-NA!

YOUR OCCULT POWERS...

I ALREADY KNOW YOU ARE GOOD AT SPELLS AND SUMMONS!

YOU CAN'T SHAKE ME OFF!

AND THE CLUB CAPTAIN,

CHOI MIN!

I HEARD THAT IN THE EVENINGS WHEN NOBODY IS AROUND...

YOU MAKE YOUR TEN MOVE IN THE AIR...

STARTLE!

AND MAKE IT CRASH ON ITS OWN WITHOUT YOU TOUCHING IT!

TWO WAYS

THE FOLLOWING WEEK OUR CLUB HAD...
NOTHING HAPPENED AT ALL.

AND!

YEON BORA AND YU YEON-HO, RIGHT? YOU GUYS ARE...

I'M TOLD I AM AN ORDINARY HUMAN BEING.

I AM HERE FOR THE HEAD COUNT.

ANYWAY, I AM BEGGING YOU!

THIS PROJECT OUR ENGINEERING CLUB HAS GOING ON RIGHT NOW IS THE PROJECT OF THE CENTURY!

WELL...

MAKING AN OBJECT BE POSSESSED BY... A SPIRIT...

ITSELF ISN'T TOO HARD.

...BUT ARE YOU ASKING ME TO USE THAT OBJECT AS A MEDIUM?

What is that, exactly?

YES!

IT IS A HARD DISK DRIVE (HDD).

AS A MEMBER OF THE PARANORMAL CLUB,

I DO NOT BELIEVE IN SUPERNATURAL STUFF...

HOWEVER,

HOWEVER!

IF SOMETHING LIKE A SOUL DOES EXIST,

IT IS ESSENTIALLY...

ESSENTIALLY...

영혼을 컴퓨터에

부트영역
- 언어/번사/운동/성격
등 각종 중추영역

OS/인터페이스
- 사상/의식/자기
사칙연산/계산능
생격...

데이터
- 기억/추억/지식...

A SET OF COMPLEX ALGORITHMS...

LANGUAGE, MOVEMENT, REFLEX, PROBLEM SOLVING, MEMORY, ETC...!

IT IS ESSENTIALLY A COMPUTER OPERATING SYSTEM!

-> 구성

IF SO, A SOUL COULD BE IMPLEMENTED INTO A CAPABLE MEDIUM!

WE'VE CONCLUDED THAT POSSESSION IS ONE WAY TO DO THIS!

PLEASE...

THERE'S NO WAY THAT COULD BE POSSIBLE...

I SEE.

THAT IS...

QUITE A CREATIVE APPROACH.

!?

POSSESSION...

IS LETTING A SPIRIT ENTER A MEDIUM...

AND LETTING THE SPIRIT CONTROL THE MEDIUM...

WHAT KIND OF MEDIUM IS USED DOESN'T REALLY MATTER.

HMM.

BUT A SPIRIT CAN ONLY CONTROL ONE OBJECT USUALLY.

AND YOUR INTENTION IS TO USE AN HDD AS A MEDIUM MEANS...

YOU INTEND TO CONNECT THIS HDD TO OTHER PARTS...

AND YOU WANT THIS TO ACT AS A BRAIN...

IS THAT CORRECT?

VERY SHARP.

RIGHT NOW WE ARE...

CONSTRUCTING A HUMANOID ROBOT!

....

...?

SEONBAE...?

HOW...

?

WHAT IS...

THIS?

WHY ARE YOU EVEN ASKING... WE'VE BEEN WORKING ON THIS FOR A WHILE, YOU KNOW.

BUT?!

BUT...

WHAT WE WERE MAKING WAS...

A HEAD-LIKE UNIT...

Mass-cause is a sticky-wicket

Attention!! celebrities on the board

Who'll work on Bill's unknown

A speaker set + sec

AND WE DIDN'T HAVE ANY MATERIALS TO COVER THE COMPONENTS...

But it'll flown at a deal

SO WE SNEAKED INTO THE BIOLOGY ROOM AT NIGHT... I MEAN WE STOLE... ERR I MEAN...

WE BORROWED...

A HUMAN SKELETON MODEL...

Upgrading

The challenge was to make a robot that will work with man stuff

Servo motors in place of joints

Wires are hidden in the bones so they're also out of sight

SO IT BECAME LIKE THIS...

CRUMBLE...

Would a being act weird since it proved to be complete?

...WASN'T IT?

HEHE...

AN OLD SAYING GOES THAT BETTER APPEARANCE MAKES EVERYTHING BETTER.

IF THEY ARE THE SAME PRICE, THE PRETTIER STUFF IS ALWAYS BETTER, THEY SAY.

WHY DO YOU THINK WE USED A SKELETON?

IF THE UNIT HAS A HUMAN SHAPE, WE COULD ALWAYS PUT A HUMAN SKIN OVER IT...

AND CREATE A FEMALE ROBOT! THAT WAS THE REASON!

HOLY ...

....

...?

WAIT.

HUMAN FIGURE?

ARE?? FIGURES MADE OF PLASTIC...?

THE SKIN FEELS DIFFERENT

IT'S SOFT AND... IT FEELS LIKE REAL SKIN..

SOFT...

.....

SOFT?

UM, SEONBAE!!

IS THIS FIGURE...

NO.

YOU MUSTN'T SAY ANY MORE...

CL

Servo powered by you

KICK

BANG!

WE HAVE THE BASICS COVERED... SKELETON, APPEARANCE, AND JOINTS...

BUT THERE ARE SO MANY THINGS WE CAN'T DO AS MERE HIGH SCHOOL STUDENTS.

I'LL FULLY REPAIR THEM!

JOINTS ARE DONE WITH SERVO MOTORS!

BUT IT DOESN'T OPERATE LIKE REAL JOINTS.

IT NEEDS HIGHLY SENSITIVE SENSORS AND FAR MORE ADVANCED SERVO MOTORS TO MIMIC OUR JOINTS. IT ALSO NEEDS FAR MORE COMPLEX SOFTWARE. ALL OF WHICH AREN'T POSSIBLE FOR STUDENTS LIKE US.

SO WE'VE THOUGHT ABOUT USING A SPIRIT AS THE SOFT-WARE...

A SOUL WHICH HAS THE MEMORIES AND ABILITIES TO CONTROL JOINTS!

WE CALL THIS AMBITIOUS PROJECT—

"PIONEER FIGURINE"!

I SEE...

ANYWAY, I SHALL BRING A SPIRIT HERE.

I DO THINK IT'S POSSIBLE.

INTERESTING...

SOLOMON'S KEY...

OR GRIMOIRES...

I DON'T THINK WE NEED THOSE FOR THIS PROJECT.

A SIMPLE WANDERING SPIRIT WILL DO.

I WILL CALL A JAPANESE SOUL...

Spirit-sama.

Spirit-sama.

おいで (Onde..)

ください (Kudasai~)

GULP

OHH...

SPIN

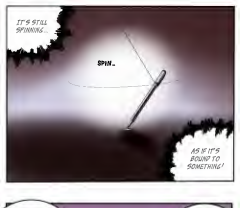
SPIN

THE PEN IS SPINNING ON ITS OWN...

MEANING A SPIRIT HAS ENTERED THE PEN FOR NOW.

IT'S BEEN POSSESSED BY A SPIRIT.

NORMALLY I'D ASK A FEW QUESTIONS TO THE SPIRIT, LIKE WHERE IT'S FROM AND WHATNOT...



HORUS IS A GOD FROM EGYPT. HIS LEFT EYE...
IS CALLED "UDJAT".
IT HAS THE POWER TO SEAL SOMETHING TO A MEDIUM.
SO IT HAS BEEN USED AS A TALISMAN.
